### I. Homework (70%)

#### A. Daily Assignments (20%)

Daily assignments will include reading, web-based assignments, worksheets, short analyses, short composition assignments, and listening assignments. If you do not turn in homework on the date it is due, it will be late and will receive a grade of "0." If you are absent from class, and the absence is *excused*, then you must turn homework in by the next class meeting in order to receive credit.

Homework can receive two types of grades:

- Completeness Some homework tasks will be graded for their completeness. Assignments that are at least 85% complete will receive a grade of "100." Otherwise, the grade will be "0."
- Accuracy This type of grading rewards you for the percentage correct you achieve.

#### B. Composition and Analysis Assignments (30%)

Composition and Analysis Assignments are of more considerable length than daily homework assignments. In these assignments you will demonstrate your knowledge of diatonic tonal music of a variety of styles.

Assignment	Topic	Due Date
Composition Assignment #1	Chord loops	January 30
Analysis Assignment #1	TSDT model and harmonic rhythm	February 6
Analysis Assignment #2	Scale harmonization and Embellishing Tones	February 20

You must continue to take a standard assessment as many times as you need in order to pass it. Your grade will be based on how many attempts you take:

Achieve the standard on a First Attempt	100
<ul> <li>Achieve the standard on a Second Attempt</li> </ul>	90
<ul> <li>Achieve the standard on a Third Attempt</li> </ul>	80
<ul> <li>Achieve the standard on a Fourth Attempt</li> </ul>	75
Achieve the standard on a Fifth or Subsequent Attempt	70

- legal obligation to appear in court
- any medical condition related to pregnancy or childbirth
- a disability
- observance of a religious practice, holiday or holy day

- participation in an official university activity
   severe illness or injury
   death of an immediate or dependent family member

- any other absence required by state or federal law

In addition, your instructor will consider the following as excused absences on a case-by-case basis:

- · non-closure, weather-related emergencies
- mandatory professional interviews that cannot be rescheduled
- · any other reason deemed acceptable

Any homework or classwork that a student misses due to an excused absence will be due one class day after the student returns. In the case of an extended absence, the student will have the same number of class days as days they missed to complete the outstanding homework and classwork assignments.

Students are allowed two unexcused absences in this course. Each additional unexcused absence will result in the lowering of your grade by two percentage points. Three tardies will equal one unexcused absence.

Your instructor will take attendance at every class meeting.

#### **Academic Integrity**

You are expected to practice the highest possible standards of academic integrity. Any deviation from this expectation will result in a minimum academic penalty of your failing the assignment, and will result in additional disciplinary measures. This includes improper citation of sources, using another student's work, and any other form of academic misrepresentation.

The first tenet of the Carolinian Creed is, "I will practice personal and academic integrity."
