The Program

The Ronald E. McNair Post-baccalaureate Achievement Program is a federally funded TRiO program administered by the U.S. Department of Education and serves a diverse group of talented students who are interested in pursuing graduate education and earning a Ph.D. The McNair Scholars Program provides enriching scholastic experiences that prepare eligible students to be successful applicants to competitive graduate programs.

Eligibility

McNair Scholars are selected on a competitive basis. To be eligible, an applicant must:

- Be a U.S. citizen or permanent resident
- Be an undergraduate student with 60 or more credit hours by the start of summer 2022
- Be an undergraduate student **not** graduating prior to May 2022
- Have a cumulative GPA of 3.0 or higher
- Meet one of the following requirements:
 - Be Pell Grant eligible **AND** first-generation college student according to established guidelines, **OR**
 - Be a member of a group underrepresented in graduate education (e.g. Black, Hispanic, Native American, or Pacific Islander)
- Intend to pursue a Ph.D. after graduation. The McNair Program is not open to students pursuing professional degrees (e.g. veterinary, medical or law degrees)

Program Requirements

Students must demonstrate a true commitment to pursuing doctoral studies and agree to participate in all of the following:

- Intensive faculty-guided summer research
- A three (3) credit-hour summer research course
- GRE tutoring
- Seminars and Workshops
- Advisement meetings with McNair staff.
- A one (1) credit-hour class during fall of 2022

Program Benefits:

Students receive a number of benefits by participating in the McNair Scholars Program:

- Free room and board during the summer research component
- Free course and study materials
- Opportunities to publish research and to present findings at nationwide conferences
- Close relationships with faculty
- Invaluable advisement on the graduate school application process and GRE preparation
- Exposure to a variety of ways to finance graduate education (federal aid, fellowships, scholarships, Assistantships)
- \$2700 stipend plus \$600 food allowance during the summer research component
