

# Poster Resources

---

## Poster Planning

- Discovery Day: Tips for Successful Posters by University of South Carolina Office of Undergraduate Research [http://www.sc.edu/our/doc/Posters\\_how\\_to.pdf](http://www.sc.edu/our/doc/Posters_how_to.pdf)
- Creating Effective Poster Presentations by George Hess, Kathryn Tosney, Leon Liegel <http://www.ncsu.edu/project/posters/>
- How to Write a Research Poster by Lorrie Faith Cranor <http://xrds.acm.org/resources/how-to-write-research-poster.cfm>
- Building Your Presentation Poster by Dr. Linda Vick [http://www.npuphysics.org/resources/comp/building\\_your\\_poster.pdf](http://www.npuphysics.org/resources/comp/building_your_poster.pdf)
- Poster Design Resources: Design & Presentation by UNC Health Sciences Library [http://guides.lib.unc.edu/poster\\_design](http://guides.lib.unc.edu/poster_design)

## Poster Creation: PowerPoint

- Designing Effective Posters by UNC Health Sciences Library <http://guides.lib.unc.edu/posters>
- Creating a Poster in PowerPoint by Eastern Michigan University <http://www.emich.edu/apc/guides/apcposterpowerpoint2010.pdf>
- Poster-making 101 by Brian Pfohl and Greg Anderson, Bates College <http://abacus.bates.edu/~bpfohl/posters/>
- How to make a poster using PowerPoint by University of South Carolina Office of Undergraduate Research [http://www.sc.edu/our/doc/Poster\\_by\\_powerpoint.pdf](http://www.sc.edu/our/doc/Poster_by_powerpoint.pdf)
- How to print a full-sized draft of your poster through tiled printing by University of South Carolina Office of Undergraduate Research [http://www.sc.edu/our/doc/Poster\\_tile%20printing.pdf](http://www.sc.edu/our/doc/Poster_tile%20printing.pdf)

## Poster Creation: PowerPoint (YouTube videos)

- Creating posters using PowerPoint 2010 for Windows from UNC Health Sciences Library Part 1 of 2 (setting up dimensions) <https://www.youtube.com/watch?v=OxBQ1F4EMyE>
- Creating posters using PowerPoint 2010 for Windows from UNC Health Sciences Library Part 2 of 2 (adding content) <https://www.youtube.com/watch?v=x-yt-cl=85114404&v=4rekTy8iFbk&x-yt-ts=1422579428>
- Making an academic research poster using Power Point by Jerry Overmyer (Mathematics and Science Teaching Institute (MAST), College of Natural and Health Sciences, University of Northern Colorado) <http://www.youtube.com/watch?v=MggjwIXadA>

## Poster Creation: Adobe InDesign

- Designing Effective Posters and how to use InDesign by UNC Health Sciences Library <http://guides.lib.unc.edu/c.php?g=8592&p=44030>

## Poster Presenting:

- Creating Effective Poster Presentations: Present Your Poster by George Hess, Kathryn Tosney, Leon Liegel <http://www.ncsu.edu/project/posters/PresentPoster.html> and <https://www.youtube.com/watch?v=vMSaFUrK-FA> (this is great, but long)
- A Guide to Presenting a Poster by the Cain Project in Engineering and Professional Communication <http://www.owlnet.rice.edu/~cainproj/presenting.html>
- Tips for presenting your poster by University of South Carolina Office of Undergraduate Research [http://www.sc.edu/our/doc/Poster\\_presenting.pdf](http://www.sc.edu/our/doc/Poster_presenting.pdf)

## Poster Printing (Locations for USC-Columbia) See GUIDEBOOK for more options and non-Columbia campuses

- For ALL campuses:
  - USC Printing Services 1600 Hampton Street, Columbia; <http://printing.sc.edu/> ; Contact Tricia Petty (803-777-4194, [tricia@printing.sc.edu](mailto:tricia@printing.sc.edu)) Costs: Vinyl \$4/sqft and Photopaper \$7/sqft Coupons may be available!
- In COLUMBIA:
  - USC Printing Services – see above
  - CAS computing center lower level of Gambrell Hall: You MUST call 777-7840 before printing. Their pricing: ≥\$4.00/square foot. NOTE: payment info AND one side must be less than 41.5". More info: <http://artsandsciences.sc.edu/technology/computingcenter>
  - School of Medicine Instrumentation Resource Facility (Building 1 Room B60): You MUST use the online booking website BEFORE going in to print: <http://dba.med.sc.edu/price/room/login.asp> . Contact Anna McNeal Harper (803-216-3858 or [anna.mcneal@uscmcd.sc.edu](mailto:anna.mcneal@uscmcd.sc.edu)) with questions. (Confirm costs)
  - Marine Science research mentor? Ask the department
  - Engineering and Computing? Ask student services or the computing center
  - Honors fellowship recipient? Contact Susan Alexander
  - FedEx can print posters but generally higher costs: <http://www.fedex.com/us/office/poster-printing.html>

- For AIKEN: There are three poster printers on campus available for students - ask your mentor which to use:
  - Biology/Geology department: Students mentored by Bio/Geo faculty print for free, others \$25 per poster
  - Instructional Services department: \$35/poster
  - USCA Operations: \$25/poster
  
- For UPSTATE: Contact Adrian Hayes ([ahayes@uscupstate.edu](mailto:ahayes@uscupstate.edu)) for options
