

# Math Placement

Summer 2025

# Talking Points

## Partnering with Admissions

- Admissions has sent over their last batch of Admitted Students to upload into Bb MAP sections this week.
- They will be emailing out reminders to students to complete the MAP.
- The test formatting is still the same, however, the log in should be simplified for students to make it easier for them.
- In-person testing will be available occurring the evening before NSO instead of the first night of NSO.
- The Math Placement website ([go.sc.edu/mathplacement](https://go.sc.edu/mathplacement)) has had updates to the Instructions and FAQ pages.
