

Immunizations Holds

- 1,717 students non-compliant (as of 9/19/2024)
- October 14th Immunizations Holds will be placed
 - Students have received several communications including door knocks in housing.
 - A call center will be contacting non-compliant students.
 - Text messages

“Please log onto MyHealthSpace regarding missing immunization documentation. You will be unable to register for classes until we are able to verify that you have met the required immunization requirements.”

Clearing Immunizations Holds

- Log onto sc.edu/MyHealthSpace and then go to medical clearances (left hand side of page)
- Check status, anything “Not Compliant” needs to be completed.
- Most students are missing the TB Screen Risk Form and students under age 21 are missing the Meningococcal vaccine which must be administered at age 16 or after.

Lifting Immunization Holds

- Holds are lifted daily at midnight once compliance is acknowledged, but acknowledgment is a manual process
 - The typical hold removal process may take up to 48 hours.
 - SHS is exploring possible solutions for handling urgent cases near the WF Deadline
-
