

2018-2019 Faculty Committees

[\(click here to go to the 2018-2019 Special Advisory Committees\)](#)

The Faculty Committees are under the auspices of the Faculty Senate and the membership and means of appointment are given in the *USC Columbia Faculty Manual*. The official listing of Faculty Committees and their respective missions is in the Faculty Manual. Faculty Committees are distinctive from Special Advisory Committees because they are governed by the faculty of the university. The Faculty Senate Office will issue a call for nominations for Faculty Committees during the spring semester. Please respond to this call or contact the appropriate chair if you are interested in serving on a particular Faculty Committee.

FACULTY SENATE INFORMATION TECHNOLOGY COMMITTEE

The Faculty Senate Information Technology Committee provides a faculty voice in assessing and planning Information Technology (IT) services, resources, and infrastructure for administration, instruction, and research at the University of South Carolina. The committee shall consist of eight elected members of the voting faculty; one graduate student representative; one undergraduate student representative; and no more than six ex-officio representatives, typically one each from the University Technology Services (UTS), Research Cyberinfrastructure (RCI), the University Libraries, the Office of the Vice President for Research (VPR), the Office of the Provost, and the Office of the University Registrar. The composition of the committee shall reflect the need for expertise in the complex field of IT and general interest of the University faculty.

Specific charges to the committee are:

- 1) To survey periodically faculty, staff, and students regarding the efficacy of IT resources including general services, resources and infrastructure that support the missions of teaching, research, and service.
- 2) To assess the compatibility of available and planned IT services, resources, and infrastructure with the University's ambition as a locally, nationally, and internationally-regarded teaching and research institution.
- 3) To ensure that faculty have a meaningful role in future development of IT at the University of South Carolina by: maintaining and publishing a list of all standing committees related to IT.
- 4) To make recommendations to the Faculty Senate for changes in IT services, resources, and infrastructure based on the information, assessment, and analysis resulting from the committee's work in points 1-3 above.
