## FROM THE DEAN'S DESK

Spring is my favorite time of year! With it comes the anticipation of new growth, which not only includes flowers and trees, but also the growth of our students as they transition from the classroom toward their future as pharmacists. Many of our fourth-year students are celebrating Match Day as they learned where they will begin their postgraduate training, while third-year students are preparing to end their didactic lessons and put their knowledge to the test in experiential rotations. It is such an exciting time of the year, and I am looking forward to reconnecting with many of you at the upcoming [Cocktails on the Horseshoe](#) to celebrate your support of our college's many successes.
